

## What is CYC Summer Fest?

Summer Fest '11 is the inaugural event to promote the work of mentoring youth throughout southwest Chicagoland.

It is an outdoor concert event for the whole family, filled with music, kids games, vendors, car & motorcycle show, food, and much more.

All proceeds will help...

- Promote a growing movement of youth leaders, coaches, and mentors to step into the life of a young person, supporting that young person's ability to thrive.
- Promote the ministry of the Christian Youth Center.
- Celebrate our coaches, youth leaders, mentors, and volunteers.

This is a fundraiser event for the ministry of the CYC- dedicated to making an eternal difference in the lives of young people. There will be love offerings and giving stations available to support the cause of "Saving Our Kids!"

## The Concert

A six hour (1PM to 7 PM) concert made up of various types of bands, artists and groups from the local area. People can come at any time, or spend all day enjoying great music.

## The Kidz Zone

While the music is playing, kids will have an opportunity to bounce, jump, spin, play games, win prizes, do a craft, and get their face painted.

## The Food

Our concession stand, along with our food vendors will fuel hungry people and families all afternoon long.

## Challenge 168

Bikers who enjoy raising money will ride for a total of 168 hours over a 4 week period prior to SummerFest. They will bring their bikes for show, while receiving their patch for their accomplishment.

## The Car & Motorcycle Show

People will be able to move about and view various classic cars and bikes, while the event is going on.

## Vendors

Tables will be filled with goodies from all over Will County for sale, from photo albums to jams.

## Mentoring Works!

Many kids have stable, caring adults in their lives providing them with the direction and confidence they need to face the difficulties of life. Parents, grandparents, teachers, coaches, youth pastors, and others contribute to a youth's development.

Sadly, too many kids lack the influence of a positive role model and consequently grow up trying to figure things out on their own.

The Christian Youth Center has been dedicated to making an eternal difference in the lives of young people throughout Southwest Chicagoland for over 54 years. We recruit and equip coaches, youth leaders, and mentors to come alongside vulnerable youth in order to help them succeed in their educational, emotional, and spiritual development.

**There is no cost to come to the event. The only cost will be for kids games and food.**
